

# MARKAL®

## PAINT-RITER™ — VALVE ACTION® —

Paint-Riter™ Valve Action® is a fast-drying liquid paint marker that provides long-lasting, wear and weather-resistant marks that are safe for almost any surface. As the most versatile liquid paint marker in the world, the xylene-free paint reduces user health risks and is available in 18 bold and fluorescent colors for accurate mark identification.

### FEATURES

- Fast-drying, permanent paint for immediate handling reduces work downtime
- Dura-Nib™ medium bullet tip resists wear to provide long marking life
- Durable metal barrel and clip-cap reduce breakage and store easily in pocket
- Xylene-free, low chlorides and halogens paint formula reduces user health risks for a safer marking tool
- 14 standard and 4 fluorescent colors for improved mark identification, quality control, and parts inspection
- Marking range: -46°C to 66°C (-50°F to 150°F)
- Made in U.S.A.
